DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-7, and 9-15 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance: regarding claims 1 and 12, the reason for the allowance of the claims is due to amending the claims to include the allowable subject matter of claims 8 and 16, which states "a control substrate for generating a control signal, the control signal corresponding to an activation status of the detecting switches." Since claims 3-7 and 9-11 depend from claim 1 and claims 13-15 depend from claim 12, they have allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
